Lawrence County Chamber of Commerce

The Eagle Has Landed

Drive by the Chamber of Commerce and you will see a beautiful silver eagle has landed on the front lawn. The statue was built by Precision Laser and Manufacturing. Owners Irwin and Roberta Kornelsen made the donation in appreciation of the Chamber's support to the Canadian company, when they announced the opening of a U.S. plant in Lawrenceburg. The Chamber Board and staff express sincere thanks to Precision Laser for the unique gift and for choosing Lawrenceburg.
